Dear Sirs:

In regards to the birth certificates of the children of Si Tokita, it is stated that of the five children born, one is dead. There seems to be some error made for all the children born are now living.

We are enclosing two certificates . If you would correct this error, we would appreciate it.

Yours truly,

M. Tokuda

Dr. Brown's daugher recently sent us her father's records of birth which she found in going through his effects. Among these records we found the original filing of Shirley's birth certificate, but did not find Maxine's record and we are accepting this. The signature you say was procured from the attending physician does not correspond with his own personal signaturew which appear on all his records. Your maiden name on Shirley's records is given as Gussie Nichols instead of Mary Augusta, made by Dr. Brown himself. We will change this on her record. If you wish copies, return this letter with remittance of 50¢ for each copy desired. No stamps or personal checks. We believe Maxine's record should have the affidavit completed, in lieu of obtaining the M.D.'s own signature, which we do not believe is authentic. Return certificate enclosed. as you will note it is already numbered.

Dear Mr. Sanford:

RE: Delayed Certificate of Birth for Thomas Dale Sanford
State File Number 1922-332509

This certificate was filed in our office on 02/16/1942, more than one year after the child's birth. When a certificate is filed in this office more than one year after the date of the event the record is identified as a "DELAYED" certificate.

Current requirements for placing a delayed certificate of birth on file include listing a description of the documentation used to support the facts of birth on the delayed birth certificate. Listing a description of supporting documentation was not a requirement the year this birth certificate was placed on file, therefore we do not have any additional information to provide to you.

We suggest that you keep a copy of this letter for your records to present to any agency who may want additional information regarding the delayed status of this birth certificate.

Sincerely,

Marc Jordan
